

Your data is safe with us.

Read how we deal with it below:

PRIVACY POLICY

USER INFORMATION MANAGEMENT

Your Information Is 100% Safe

This Privacy Policy governs the manner in which Ninja Tots Ltd (trading as Cirencester SKILLZ) collects, uses, maintains and discloses information collected from users (each, a "User") of the Ninja Tots Ltd (Cirencester SKILLZ) website ("Site").

Information that is gathered from visitors

In common with other websites, log files are stored on the web server saving details such as the visitor's IP address, browser type, referring page and time of visit.

Cookies may be used to remember visitor preferences when interacting with the website.

Where registration is required, the visitor's email and a username will be stored on the server.

How the Information is used

The information is used to enhance the visitors experience when using the website to display personalised content and possibly advertising.

No mobile information will be shared with third parties/affiliates for marketing/promotional purposes. All other categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties.

E-mail / SMS may be sent to inform you of news of our services or offers by us.

Visitor Options

If you have subscribed or opted in to obtain information regarding our services, you may unsubscribe / opt-out by following the instructions which are included in e-mail / SMS that you receive.

You may be able to block cookies via your browser settings but this may prevent you from access to certain features of the website.

Cookies

Cookies are small digital signature files that are stored by your web browser that allow your preferences to be recorded when visiting the website. Also they may be used to track your return visits to the website.

3rd party advertising companies may also use cookies for tracking purposes.

Google/Facebook Ads

Google and Facebook, as third party vendors, uses cookies to serve ads.

Google's use of the DART cookie enables it to serve ads to visitors based on their visit to sites they visit on the Internet.

Website visitors may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy.
